Commercial – Irrigable hectares

Non-commercial

SIGNED

DATED

1. On receipt of application form we will check that sufficient water is available in the pipeline in your area
2. If the supply is sufficient and we are able to connect you to the water supply a quotation will be provided for the cost of installation
3. On receipt of payment and signing of a Water Supply Agreement we will proceed with the connection
4. **The water supplied is for irrigation purposes and is non-potable water. It is untreated and not suitable for drinking or any form of food preparation or domestic use.**
